Market Trend

Feeder cattle sold higher, on the same kind and quality, depending on flesh and fill with strong buyer demand on heavy cattle. Fallon Livestock is a key market for the industry, where buyers and sellers meet each week with a professional staff with over 50 years of experience in marketing livestock. PLEASE call ahead with your consignments. It helps us market your cattle. We talk to buyers all the time –they want to know what's coming in.

Let our crew sort and class your livestock. This will help you receive full market value.
We have trucks available for your hauling needs, pasture to pasture or from your ranch to the sale yard.
