Market Trend:

Feeder cattle steady to 2.00 higher depending on kind and quality and weighing conditions with good demand. Butcher cows steady this week on same kind & quality with very strong demand! Butcher bulls steady. The butcher cow market is really good right now. Ranchers, Fallon Livestock Exchange, Inc. works hard day in & day out to provide you with the best service possible. We feed good alfalfa hay, our water is good deep well water (no city chlorinated water) So your livestock eat & drink soon after arrival, there is a difference.
