Market Trend:

Feeder cattle 3.00-7.00 higher depending on kind and quality and weighing conditions with very good & strong demand. Butcher cows steady to 3.00-4.00 lower due to large numbers of cows on market. We had an excellent set of calves & yearlings consigned this week and Fallon Livestock Exchange and our entire crew says "Thank You" to everyone for consigning your good cattle. Feed cattle Saturday & Tuesday were a lot stronger with out of state buyers wanting feeders, with cattle going to Oregon, Idaho, Colorado, Nebraska, California, & Nevada.

Fallon Livestock Exchange, Inc. is Nevada's Leading market, with top facilities, good deep well water, we feed good alfalfa hay, and have a marketing staff with over 45 yrs of experience, integrity, and knowledge of the livestock industry, where we work for you, the consignor each & every day providing you with the service you deserve second to none.
