Market Trend

Feeder cattle sold steady to \$5.00 higher, on the same kind and quality, depending on flesh and fill. The butcher cow market is steady as well. Fallon Livestock is a key market for the industry, where buyers and sellers meet each week with a professional staff with over 50 years of experience in marketing livestock. PLEASE call ahead with your consignments. It helps us market your cattle. We talk to buyers all the time –they want to know what's coming in.

Let our crew sort and class your livestock. This will help you receive full market value.
We have trucks available for your hauling needs, pasture to pasture or from your ranch to the sale yard.

Sheep and Goat Consignors - Please have your animals here no later than 9:30 a.m. on Tuesdays!
 Please have your cattle here by 11:30 a.m. on Tuesdays! Thank You.

The entire crew at Fallon Livestock Exchange would like to thank all the consignors and buyers alike for your business.
 Happy Trails... See you at ring-side soon...
